

GROUP S

Open frank similar to Group R stamps but the horizontal inner lines are straight. Used only since TNT began operating the Dutch postal system.

S1 Francotyp-Postalia (digital). Frank and TM mimic each other with no outer frame and horizontal bars bounding the value figures and date. Top of frank contains crown and "TNT | post". "Nederland" below M# at bottom of frank. M# with # FR" prefix.

V/F: 00000 ct

- a. Earlier style TM without horizontal lines and with dentate line at left as illustrated for Type RA3
